Review of minutes from the Tuesday December 14th regular meeting. Motion to accept minutes as read by Tony Johanik, seconded by Skip Radosevich. Motion carried.

Carol Pufall, Town Treasurer, gave overview of town's finances. \$487,725.05 in checking account, \$22,167.43 in money market, \$40,513.03 in special project account, \$22,839.33 in ARPA checking account. Transferred \$500 from money market to a new business savings account which now has a balance of \$3,060.08.

Skip Radosevich, Town Supervisor, Insulation at garage was inspected and the R-value amount and construction is good. Garage heaters might need to be cleaned. Water that forms when trucks melting snow when parked in garage is running towards wall and wall metal is rusting due to the road salt in said water. May need to look at putting some form of curbing to stop water before getting to wall. No news on town hall bathrooms.

Tony Johanik, Town Supervisor, Equipment is all working great. Guys were busy with snow & wind/drifted last week+. Mentioned maybe having a spare for the loader would be a good idea. Will look to see how available a tire/rim combo is for it.

Joe Mattson, Town Clerk, Election training for myself & chief inspector (Anne Wickman) is complete. Mentioned multiple other towns are looking into room tax for short term rentals and it may be a good idea to get an ordinance passed for rules on this. New election machines will be picked up by me at time of training on 1/13. Anne will be joining me for the training as well.
