2021-2022

Notice to any Eileen residents or Eileen property owners wishing to have snow plowing service.

- ✓ The Town of Eileen will be plowing **PRIVATE DRIVEWAYS ONLY**, provided the following conditions are met and the enclosed **REQUEST FORM** is signed and placed on file with the Town Treasurer. **NO** plowing will be done until these conditions are met.
- ✓ Driveways will be plowed only after all school bus and mail routes have been plowed. **ALL DRIVEWAYS MUST HAVE ADEQUATE CLEARANCE, BE FREE OF STUMPS, ROCKS, BOATS, CARS, SNOWMOBILES AND OTHER OBSTRUCTIONS AND BE CLEARLY MARKED. ADEQUATE TURN AROUND SPACE MUST BE PROVIDED.** Town crew will notify owners if driveways do not meet conditions and can't be plowed.
- ✓ The only emergency requests for snow plowing will be for ambulance and fire department vehicles.
- ✓ Due to the large number of driveways that are plowed by the Town of Eileen and the fact that the town roads must be plowed and sanded before driveways are started, you may feel you cannot wait for the Town Crew, you therefore, may want to contract with a private snowplowing contractor.
- ✓ The Town Board of Supervisors reserves the right to withhold services at any time if any or all conditions are not met or the Town Officials, or employees receive any harassing or abusive treatment.
- ✓ The Town of Eileen, its officials and employees will not be held responsible for damages to any property encountered in the area to be plowed.

It is illegal to push or blow snow onto town roads or highways.
