Carol Pufall, Town Treasurer, gave treasurer report. The town is still currently in good standing. Next large deposit will be shared revenue which typically comes around Thanksgiving. Carol also stated to the board that there is a town resident who has still not paid their taxes for the 2016 year. The board suggested a strongly worded letter advising that legal action may be taken. Carol will draft this letter.

Skip Radosevich, Town Supervisor, gave updated on Anderson Well. They did not show up to take a look at the well again so the check is still being held. Skip also mentioned that Randy asked about new cell phones again for the road crew. The board is still in discussion about this.

Tony Johanik, Town Supervisor, shared that the Workstar was taken to the county garage and had the oil pan replaced with a new stainless steel one. Tony also reported that shoes have been ordered for the plows and wings. Tony finalized his report stating that mowing is almost fully completed.

Clerk reports that in mid-October, the poll workers are going to attend a meeting at Bayfield County for some training.

Clerk stated that Randy Herrin left a United Ag contract for her to complete for credit. Verified with the board it was okay to proceed with completing this. The board verified it was ok.

Clerk reported that the deed to the land on Highland has been updated with the county (Lynn Devine). Clerk asked the board if it was okay to post information regarding the group that Susan Hall is a part of to our town website. The group is called the Bayfield Peninsula Energy Alternatives and was formed due to the Xcel Energy Transmission Project.
